

**Report to the Kentucky Library Association Board
Strategic Planning & Organization Review Committee
Quarterly Report
Saturday, November 20, 2010
Louisville, Kentucky**

The process of updating the Blue Book is progressing, albeit slowly. A provisional updated version of the Blue Book was submitted to the Executive Director of the Kentucky Library Association (KLA), Mr. Tom Underwood, for printing so that copies can be distributed to each member of the KLA Board at the Saturday, November 20, 2010 meeting.

Each member of the KLA Board will be asked at the November 20th meeting to take this provisional copy to review and proof those sections of the Blue Book relevant to his or her Board position, as it is believed this would be the most efficient and effective means by which the Blue Book can be proofed.

It will also be asked of the members of the KLA Board to submit any changes that should be made to the Blue Book to the Chair of the Strategic Planning & Organization Committee, Mr. Robert Gieszl, by Monday, January 31, 2011.

It is hoped, and there is no reason to believe that it is not possible, that a finalized, completely up-to-date version of the Blue Book will be ready for presentation to the KLA Board at the KLA Board meeting to be held on Saturday, March 5, 2011.

Respectfully Submitted,

Robert Gieszl
Chair, Strategic Planning & Organization Review Committee
